

LOVE OF LEARNING

You are open to new skills and information because you love to learn. You want to learn from your mistakes rather than feeling sorry for yourself. You are willing to learn no matter where and when.

How would you define the love of learning?

What type of jobs might suit a person who loves learning?

What advantage is there in loving to learn?

Make a plan to learn something new

This is what I want to learn:

This is what I need to do to make it happen (e.g. if I need to ask for support, privacy or money):

This is when and where I could do that:
